

ANNOUNCEMENT

The Village of Addison has installed a brand new Portalogic station for loading bulk water.

This station will provide users with the convenience of location and accessibility to obtain water 24/7. Purchasing water is made easy by using your mobile phone and credit card.

Address:

Water Fill Station

666 S. Vista Ave.

Addison, IL 60101

GETTING STARTED

Account Setup

1. Contact your station operator to create your customer account.
2. Receive your unique Account Number and PIN for station access.
3. If using Portapay, add funds to your account online.
4. Begin using the Portalogic Station.

HOW TO USE

Station Operation

1. Hauler connects truck to access station.
2. Hauler uses swipe card* or enters Account Number and PIN on keypad.
3. Hauler follows keypad prompts and enters information such as desired volume.
4. 'Start' and 'Stop' buttons will control the water flow.
5. Transaction is concluded when the volume is dispensed or when 'Stop' button is pressed.

*1,000 gallon minimum at \$20.05/gal for Credit Card Users
